Dear Parents

Schools have been closed due to the coronavirus pandemic. Therefore, lessons are taking place at home until **31.01.2021**. Teachers give children work. They must do this work and submit it later. Please help your child to do its homework undisturbed.

Exceptions:

- If your child is taking the lower secondary examination [**Hauptschulabschluss**] this year, it can go to school again from Monday, **18.01.2021**.
- If you need or would like to use the **care service at school**, please speak to the school principal.
- If your child should attend the **afternoon care service**, please contact the school principal. Your child can have lunch during the care service.

NB: Wearing a mask is compulsory at school!

Please speak to the school principal if you have any questions or problems.

Yours sincerely
